Pricing: We require a minimum spending amount which varies based on the space, day of the week and season. Please inquire for pricing. All invoices incur a 22% production charge + 6% sales tax. Gratuity is additional, optional and at your discretion. Food, beverages, alcohol, and Bella Sera provided rentals and services may go toward the spending minimum. The production charge, sales tax, gratuity and rentals from outside vendors cannot. Each event space has a room rental fee which is detailed below.

Spending minimums are the dollar amount that you agree to spend at Bella Sera to have your event with us. While there is no minimum guest count required, we do suggest hosting at least 30 guests to reach the amount required.

Gratuity: If you would like to thank the staff with a gratuity, you may do so at your discretion. A common question is "what is the appropriate amount of gratuity to leave?" We recommend a flat amount per staff member and typically see people leave \$25 - \$100 for each. Depending on the size and specifics of your event, you will likely have 2 - 4 staff working.
